

LuvLoo's **ToyWranglers** (www.ToyWrangler.com) have been stringently safety tested with Intertek (www.Intertek.com), the industry's leading testing lab, preferred and used by ASTM to set the safety standards. The ToyWranglers are BPA FREE and follow ASTM as well as FDA Safety Standards. Extensive documentation showing the safety testing completed on the ToyWranglers can be supplied upon request by contacting toywrangler@gmail.com.
