

# Telepathy. Testing and training the mind in the ways of deduction, logic and intuition.

## Game Play:

Unlock the power of your mind! In this puzzle solving challenge of deduction, logic and intuition, players go head to head to see who can be the first to guess their opponent's secret square. Every action turn brings you closer to finding the hidden, ancient symbol. But watch out; your opponent may be closer to solving your secret square than you think! Telepathy is an outstanding logic building tool, ideal for educators and puzzle solvers alike.
