

# Tie-Not

Welcome to a new and innovative way to tie water balloons in seconds!

## Tie-Not

*Now kids can tie their own water balloons*

This patented design makes tying water balloons fast easy and fun.

Our package comes with one balloon filling nozzle and water balloons

along with one knot tying device. With the spin of Tie-Not,

your water balloon is quickly tied with no more sore fingers

and soaking clothes. Let the fun begin !

Please note that Tie-Not is made in the USA from recycled materials.

*Please call for our Wholesale pricing ...*

FREE shipping with your order of 4 cases or more!
