

3D Shrinky Dinks® make learning history fun!

These historically themed 3D Shrinky Dinks® kits engage children's imagination and help bring history to life. Each envelope contains 6, 5" x 8" sheets of the amazing shrinking plastic, complete baking instructions and a 2 sided Tracing Sheet. The Tracing Sheet is filled with unique drawings for children to trace, cut out, bake, shrink, and then assemble into 3-dimensional figures. The Civil War sheet has drawings of Union and Confederate Generals, soldiers, canons, flags and more. The Titanic sheet has drawings of the ship, an iceberg, the ship's captain, a ship's wheel, anchor and more. Each kit also contains educational information in the instructions.
